Berean Workshop:

How to Study & Teach the Bible

Would you like to be equipped with basic principles of biblical interpretation for studying the Bible on your own and potentially for leading others in Bible study? Consider joining our upcoming class with Craig Shigyo & Elias Fairfield on these basic principles for biblical interpretation (called “hermeneutics”).

This 8-week class will run weekly from 6pm to 8pm on every Wednesday from October 2nd to November 27th. Informational sheets and signups are available in the foyer.

Please signup or talk to Craig (craig@oakhurstevfree.org) or Elias (elias.fairfield@gmail.com) if you plan on attending or you have any further questions.
