FRONTIER FORCE
CHRISTIAN MINISTRIES

June 2026

NEWS LETTER

Frontier Force Christian Ministries.

FFCM is a Christian organisation that is committed to reaching out to the unreached with the message of salvation through Jesus Christ by establishing and strengthening church plants.

What's Inside

01

Frontier Force Bible Institute (FFBI)

02

Agri-faith

03

Visiting a Co-worker

04

Visiting new church plants

05

Commissioning, sending leaders and Prayer requests.

To date, We have planted eighteen churches and still counting in different rural communities in Uganda. We are so grateful to our partners and facilitators for supporting us on this great adventure.

FFBI

Our bi annual Frontier Force Bible institute training that brought together leaders from our eighteen churches kicked off on Monday 11th May to Friday 15th May 2026 at Madudu village, Buikwe District. It was a great time of learning and renewal.

Agri-faith conference

The representatives from our ministry whom we sent to attend "an agri-faith conference" organized by Sowers of Hope ministry in Kigali, Rwanda along with other delegates. We look forward to the benefits that the Kingdom of God and our communities shall reap as a result of this investment.

Visiting Santos

VISITED A CO-WORKER

Visited Santos and the communities he labors amongst in Karamoja district which is in the north east with Pastor Andy. It was the first time for Andy to meet these disciples in person as he previously had only met them via the internet on google meet.

Visiting new church plant

Visiting one of our new church plants in a village called Ggoli along with one of our Visiting facilitators, Pastor Nicolai in Buikwe District.
This church meets in a rented room as we wait upon the Lord to provide this church with a place to meet. On this particular occasion the believers that showed up were too many so we had to use the space outside the rented room.

Commissioning and sending leaders

On this memorable day, We sent out the forty five church leaders and workers who have been undergoing a six month training at our center in Buwunga Village, Masaka District. Our emphasis was on "multiplication" making disciples who will make disciples and raising Pastor trainers. 2 Tim 2:2
In Uganda, the need for properly eqiuping and training pastors to ensure the teaching of right biblical doctrine is as great as the need to evangelize and make disciples.

PRAYER REQUESTS

Please pray for our teams in various communities in which we are laboring to make a greater impact for the gospel as they live out their lives and witness for Christ.

Pray for our evangelistic team to acquire a public address system and projector to use when visiting our various church plants, with the goal of strengthening and encouraging them. We have identified a complete system of the above that costs 2000USD.

Your support and prayers make all this possible.

Our deepest thanks goes to all our Partners, friends, and facilitators for all your labour of love and sacrifice to help the body of Christ in Uganda grow. May the Lord richly bless you.
